Wp2BB

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

Wp2BB automatically creates new topics in the forum for every new post in your blog. Provides a Wp template for displaying the current number of responses to the post in the forum and a quick link to add a reply, and also a widget to display recent forum responses in the sidebar. It can coexist with the WordPress comments system or replace it completely.
