Xara Online Microsoft FrontPage Add-in

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

The Xara Online plug-in for Microsoft FrontPage allows you to easily include Web Service Applications in to your website. Install a mailing list, add text content that can be dynamically updated wherever you are in the world, manage a database, or create an SMS application, all directly within FrontPage without the need for technical or authoring skills.
