XP Web Buttons

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

Create superior XP and Vista-style web buttons and menus in just a few clicks! XP Web Buttons generates all button images, Javascript and HTML code on the fly, so you don't need any additional graphics or programming skills and will get instant results. The buttons are fully customizable, they react to mouseover and mousedown events, support any XP and Vista themes, font face, font style, shadows, icons, alignment, tooltips and more.
